

Travel your heart out

The *Geluxe* Collection
Adventure made oh-so-comfortable.

A woman with long brown hair, wearing a wide-brimmed straw hat and a light blue button-down shirt over a green top, is smiling broadly. She is sitting at a table with a glass of orange juice and a pitcher of red juice. In the background, there is a white SUV parked in a grassy field under a cloudy sky. A purple diagonal shape is on the left side of the image, containing white text.

The *world* awaits.

Vast. Vibrant. Unscripted.

**A place to wander,
to wonder, *to feel.***

**And far too rich to fit
on any checklist.**

The background of the image is a close-up photograph of an ancient stone wall covered in hieroglyphs. The wall is a warm, reddish-brown color. The hieroglyphs are carved into the stone and include various symbols such as birds, lotus flowers, and human figures. The lighting is soft, highlighting the texture of the stone and the depth of the carvings. In the top left corner, there is a dark orange diagonal overlay where the text is placed.

**Because travel isn't just
about where you go — it's
about how you *embrace*
the world.**

By *slowing* down.

Looking *closer*.

**And letting each place
leave its mark on you.**

**When we travel with *heart*,
everything shifts.**

The way we *listen*.

The way we *give* back.

**And how we tell the *story*
once we're home.**

So make it count.

**Every moment.
Every *connection*.**

**Travel with soul.
Travel with *purpose*.**

A photograph of two men shaking hands in a market stall. The man on the left is older, with a white beard and a red and white checkered headscarf. The man on the right is younger, with a beard and a white t-shirt. They are both smiling. The background is filled with various goods, including colorful tassels and a blue lantern. The text "Travel your heart out" is overlaid in the center.

Travel that goes **WAY** beyond travelling

Call us crazy but we've always believed travel shouldn't just feel like a break. It should feel like a breakthrough.

We've spent more than 35 years bringing this type of adventure to the world, and we've chalked up our success to building one thing better (in our humble opinion) than any other travel company: **community**.

It starts with our groups. Small by design, they bring together travellers from all over the world and put you on a fast-track to deep, meaningful connections. (Don't be surprised if your group chat is still going years later.)

But it doesn't stop there. From the ground up, every one of our trips were built to create real benefits for the local people that make them possible. You're supporting their communities by harnessing the power of community. Funny how that works.

At their core, our adventures are powered by people. The ones you meet. The ones you travel with. And the ones behind the scenes who lead with heart, serve with purpose, and believe that doing the right thing should always come first.

We're here to create happiness. To embrace the beautifully bizarre. And to change lives — starting with yours.

If that sounds like your way of seeing the world, we're glad you found us, and we can't wait for our adventures to begin.

Seven reasons you'll love us

Guides so good we call them CEOs

The biggest reason travellers book our trips again and again? Our legendary Chief Experience Officers, aka CEOs. Simply put, they're the best guides on the planet. Their superhuman local knowledge gets you insider access, their endless energy bonds your group like old friends, and their trip-running skills deserve a Nobel Prize. They're some of the most incredible people you'll ever meet — which is exactly why we gave them the fancy title.

Small groups, lots of passports

We keep our groups small to keep you feeling connected: to the places you're exploring, and the group-mates you're doing it alongside. And because our groups are made up of travellers from countries all across the planet, you'll be experiencing the world just by who you're travelling it with.

As ungrouped as it gets

Want group travel that doesn't feel like group travel? You're reading the right brochure. Our trips combine the security and camaraderie of travelling with others, with the freedom to do your own thing. You get well-planned itineraries that include the perfect amount of free time for optional activities, or doing whatever else your adventurous heart desires.

Immersive experiences are how we roll

Seeing the world is fun! But experiencing it? That's where the magic happens. With us, you're not just sitting down for a local meal or watching a traditional dance from the sidelines. Our trips get you in the action; like breaking bread with local families right in their home, or busting moves as if you're part of the dance troupe yourself.

Book with all the confidence in the world

From Lifetime Deposits to no single supplements and 100% Guaranteed Departures, we make booking feel as good as going. Got questions? Our team's here 24/7 — because peace of mind should come standard.

Community Tourism to the max

What's better than going on the adventure of a lifetime? Changing the world while you're at it. We call that "Community Tourism", and it's an idea we pioneered over 35 years ago. It means you can feel good knowing your holiday is supporting the people you meet, the places you go, and with our Trees For Days program, the planet itself. Every hotel you sleep in, every restaurant you eat at, every tree you help us grow — you're making a difference that ripples through every community that makes it possible. Our trips don't just transform you, but the rest of the world, too. And the best part about it? All you've gotta do is have the time of your life.

When you say your trips are good for the world, that has to include the planet too — and Trees For Days is our global program for doing just that. For every day a traveller is on one of our trips, we'll grow a tree on their behalf in one of 14 reforestation projects around the world. More days equals more trees, and a healthier planet overall.

Empowering local communities for over 20 years, Planeterra is our non-profit partner dedicated to making sure places touched by tourism benefit from the opportunities it provides. They do this by helping local people develop their communities, conserve their cultures, and implement plans for reaching their goals.

When it comes to benefiting local economies, we want to put our money where our mouth is. That's why we created the Ripple Score. On a scale from 0 to 100, it shows what percentage of a traveller's money stays in the local communities they visit on their trip with us. The higher the number, the bigger impact their money has.

Introducing

The *Geluxe* Collection

World, meet the grandest adventures on Earth. Get moving and go deeper into your destination with our line of premium active adventures expertly curated to keep you feeling oh-so comfortable.

You'll stay in accommodations as unique as they are beautiful. You'll eat meal after heavenly meal that'll leave you in a foodie state of bliss. Heck, even your itinerary will be paced for maximum enjoyment. These might be active adventures, but comfort is their middle name.

OMG *Stays*

On every Geluxe trip, you'll stay in a place that's got a little more twinkle than the rest. We call it Your OMG Stay. Exclusive to Geluxe, these properties were chosen for something unforgettable and one-of-a-kind. Whether that's their history, their design, or the experience itself, these stays will stay with you long after your trip.

OMG *Days*

What's the secret to having the best day ever? Choosing what you want to do. Your OMG Day is a signature Geluxe feature that lets you pick between two different (but equally incredible) experiences, letting you discover our world in the way that suits you best. More of a hiker than a history buff? Rather a cooking class over kayaking? It's your day, you decide.

Now serving: *extra* inclusions

Adventures in The Geluxe Collection feature more inclusions than our other Travel Styles. You'll enjoy complimentary arrival transfer on most tours, as well as more included meals (like Welcome and Farewell Dinners). We even cover tips for activities and at restaurants, letting you focus on what's important: the experience itself.

This insurance must cover personal injury and emergency medical expenses. You are strongly recommended to extend your coverage to include cancellation, curtailment, and all other expenses that may arise as a result of loss, damage, injury, death or inconvenience or incurrence. You acknowledge that insurance coverage is not included in the cost of any Tour offered by the Tour Operator and you are required to obtain separate coverage at an additional cost. From time-to-time the Tour Operator may offer reduced pricing on certain products or services. Reduced pricing applies only to new bookings. Bookings where payment of at least a deposit has been received by the Tour Operator are not entitled to reduced pricing.

After a confirmation invoice has been issued by the Tour Operator, the Tour Operator reserves the right to make surcharges on any products or services booked for reasons arising from increases in transportation costs, fuel costs, dues, taxes or fees chargeable for services such as landing taxes or embarkation or disembarkation fees at ports and airport charges, local operator costs, currency exchange fluctuations, increases in taxes, or government action which impacts the price of the applicable products or services; provided however, the Tour Operator will only do so where the increase in question is greater than 2% of the original price paid for the products or services (excluding add-ons, insurance, and taxes). Upon learning of the necessity to impose a surcharge in accordance with this section the Tour Operator will provide notice to you as soon as reasonably possible. Where the increase in price is greater than 7% of the original price of the applicable products or services (excluding add-ons, insurance and taxes), you may elect to either (a) cancel the applicable booking without incurring any penalty; or (b) accept the change of price. You must notify the Tour Operator of your choice within 14 days of receipt of notice of the increase or you will be deemed to have accepted the price change and will be liable for payment of the increase.

21. LIABILITY

The Tour Operator and its parents, subsidiaries and their respective employees, affiliates, officers, directors, successors, representatives, and agents shall not be held liable for any damage to, or loss of, property or injury to, or death of, persons occasioned directly or indirectly by an act or omission of any other provider, including but not limited to any defect in any aircraft, watercraft, or vehicle operated or provided by such other provider; and (B) any loss of or damage to property or injury to, or death of, persons in any manner caused by the laws, regulations, acts or failures to act, demands, orders, or interpositions of any government or any subdivision or agent thereof, or by acts of God, strikes, fire, flood, war, rebellion, terrorism, insurrection, sickness, quarantine, epidemics, theft, or any other cause(s) beyond their control. You waive any claim against the Tour Operator for any such loss, damage, injury, or death.

In the event that any loss, death, injury or illness is caused by the negligent acts or omissions of the Tour Operator or its Third Party Suppliers of any services which form part of the booking contract then the Tour Operator limits its liability, where applicable by all applicable international conventions.

Carriage of passengers and their luggage by sea is governed by the Athens Convention relating to the Carriage of Passengers and their Luggage by Sea (PAL), as amended (the "Athens Convention") which is expressly incorporated into these Terms and any liability of the Tour Operator in respect of death or personal injury or loss of or damage to luggage arising out of carriage by sea will be determined solely in accordance with this Convention. The Athens Convention limits the Carrier's liability for death or personal injury or loss of or damage to luggage to the maximum extent permitted by law. It presumes that luggage has been delivered undamaged to the Guest unless written notice is given to the Tour Operator and/or the Carrier:

- in the case of apparent damage, before or at the time of disembarkation or redelivery;
- in the case of damage which is not apparent or loss, within 15 days from the date of disembarkation or redelivery or from the time when such redelivery should have taken place.

Any damage payable by the Tour Operator up to the Athens Convention limits will be reduced in proportion to any contributory negligence by you and by the maximum deductible specified in Article 8 (4) of the Athens Convention. Copies of the Athens Convention are available from the Tour Operator on request.

In so far as the Tour Operator may be liable to you in respect of claims arising out of carriage by sea, the Tour Operator is entitled to all the rights, defenses, immunities and limitations available, respectively, to the actual carrier and under the relevant Conventions, and nothing in these Terms will be deemed to surrender thereof. To the extent that any provision in these Terms is made null and void by the Athens Convention or any legislation compulsorily applicable or is otherwise unenforceable, it shall be void to that extent but not otherwise. The Tour Operator's liability will not at any time exceed that of the carrier under its Conditions of Carriage and applicable or incorporated conventions or other legislation. Any liability in respect of death and personal injury and loss of or damage to luggage which the Tour Operator may incur, whether under the Athens Convention or otherwise, under these Terms or otherwise, will always be subject to the limits of liability contained in the Athens Convention for death or personal injury.

Notwithstanding anything to the contrary elsewhere in these Terms, the Tour Operator will not in any circumstances be liable to you for any loss or anticipated loss of profit, loss of enjoyment, loss of revenue, loss of use, loss of contract or other opportunity nor for any other consequential or indirect loss or damage of a similar nature.

For claims not involving personal injury, death or illness or which are not subject to the Conventions referred to above, any liability of the Tour Operator may incur for the negligent acts or omissions of its suppliers will be limited to a maximum of the price which you

paid for the applicable Tour, not including insurance premiums and administration charges. Where this relates to loss or damage to luggage and the Tour Operator is not liable, the Tour Operator's liability will not exceed \$1,000 CAD. 22. FORCE MAJEURE

The Tour Operator will not be liable in any way for death, bodily injury, illness, damage, delay or other loss or detriment to person or property, or financial costs both direct and indirect incurred, or for the Tour Operator failure to commence, perform or complete any duty owed to you if such death, delay, bodily injury (including emotional distress or injury), illness, damage or other loss or detriment to person or property is caused by Act of God, war or war like operations, mechanical breakdowns, terrorist activities or threat thereof, civil commotions, labor difficulties, interference by authorities, political disturbance, housewrecker and where so ever any of the same may arise or be caused, riot, insurrection and government restraint, fire, extreme weather, significant risks to human health such as the outbreak of serious disease including any mutation or variation of, and the ongoing effects of, Covid-19 or SARS-COV2, or any other cause whatsoever beyond the reasonable control of the Tour Operator or the Third Party Supplier services, whether or not foreseeable, which would make it dangerous or not viable for a Tour to commence or continue, any and all of which, individually and collectively, constitute "Force Majeure".

23. IMAGES AND MARKETING

You agree that, while participating in any tour, images, photos or videos may be taken by other participants, the Tour Operator or its representatives that may contain or feature you. You consent to any such pictures being taken and grants a perpetual, royalty-free, worldwide, irrevocable license to the Tour Operator, its contractors, sub-contractors and assigns, to reproduce for any purpose without limitation (including marketing, promotions and the creation of promotional materials by or with sub-licensees), in any medium whatsoever, whether currently known or hereinafter devised, without any further obligation or compensation payable to you.

24. PRIVACY POLICY

By submitting any personal information to the Tour Operator, you indicate your acceptance of the Tour Operator's Privacy Policy.

25. SEVERABILITY

If any provision of these Terms is so broad as to be unenforceable, such provision will be interpreted to be only so broad as is enforceable. The invalidity or unenforceability of any provision hereof will in no way affect the validity or enforceability of any other provision.

26. CONTRACT PARTIES & SUCCESSORS

These Terms will inure to the benefit of and be binding upon the parties and their respective heirs, legal and personal representatives, executors, estate trustees, successors and assigns.

27. APPLICABLE LAW

A woman with dark hair, wearing a red one-piece swimsuit, is floating on her back in a hot spring pool. She has her eyes closed and a peaceful expression. The pool's floor is made of smooth, grey stone tiles. In the background, other people are visible in the water, and the setting appears to be a natural hot spring area with some wooden structures and a waterfall in the distance.
