

THE ELEVIDA COLLECTION · EUROPE'S RIVERS

Emerald Cruises

The Star-Ships of the Danube, Rhine, Douro, Rhône, Saône and Seine

Star-Ships carrying up to 180 guests, small enough to tie up in the middle of the town rather than at an industrial berth outside it. This is the guide to the ships themselves: every suite and stateroom category with its size, what the fare already covers, the seasonal guide to when each river is at its best, and the deck plans for every vessel in the European fleet.

New Seine River Cruising

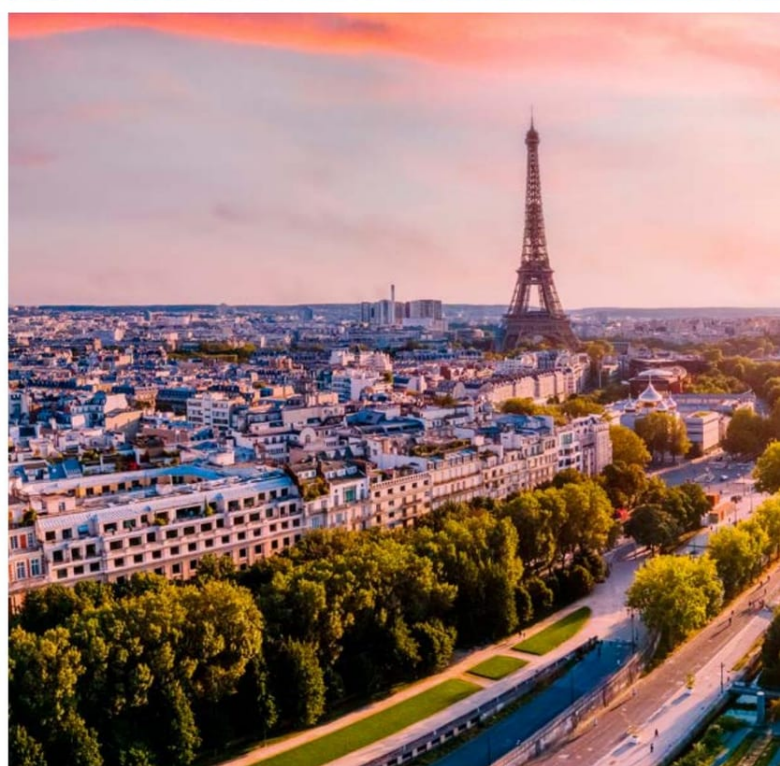

Emerald Lumi, the 10th luxury Emerald Star-Ship will join the award-winning European fleet.

Emerald Lumi will welcome a maximum of only 130 guests, ensuring you'll revel in a relaxed cruising lifestyle—a much-loved Emerald Cruises & Tours signature. Set to debut in March 2027, Emerald Lumi will embark on eight day river cruises through northern France along the Seine—the first Emerald Star-Ship to operate on this celebrated French river. Purpose-built to navigate the Seine, Emerald Lumi will make the round-trip journey from the French capitol, Paris, through the heartlands of Normandy to Honfleur, a picturesque harbor town few river ships can access.

On the new 'Sensations of the Seine & Normandy' itinerary, you'll make stops at a succession of captivating ports with overnight stays and extended visits in must-see destinations—including Rouen, the medieval 'City of a Hundred Spires'—giving you a more in-depth connection and time to explore at leisure.

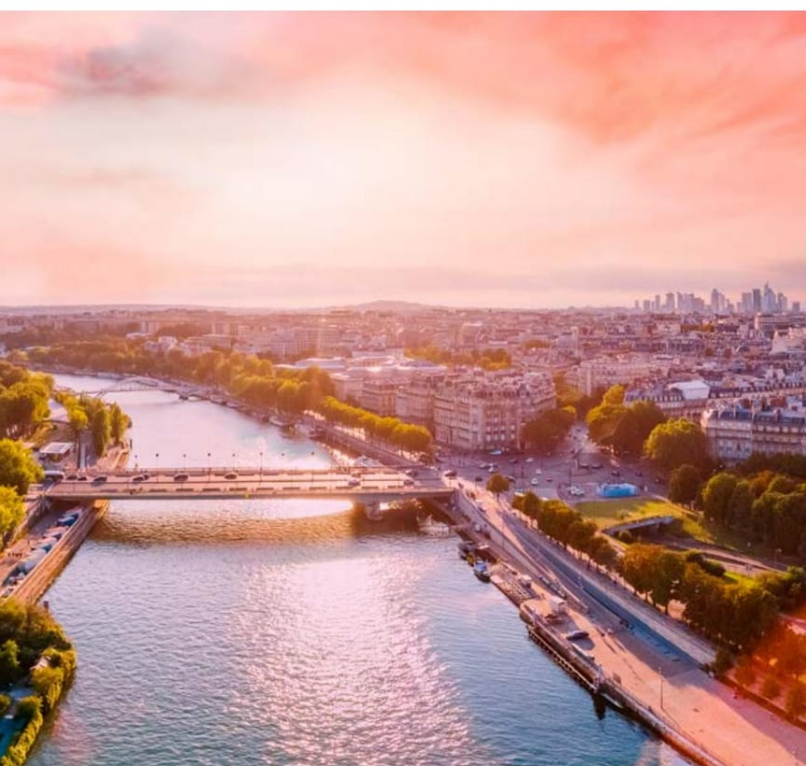

Curated guided tours and active experiences on shore each day, complemented by enriching programs on board, vividly bring to life the region's distinctive art, culture, gastronomy and history. From delicious oyster and cheese tastings, explorations of Monet's iconic Giverny Gardens and an exclusive visit to a traditional cider farm, to a full D-Day Tour of key Allied landing sites, you're invited to discover the timeless treasures and authentic flavors of the enthralling Seine and Normandy region.

Same Fare, More Voyage

Booking through Elevida Luxury Journeys costs the same as booking anywhere else. The difference is what comes with it.

ELEVIDA AMENITIES	Our consortium and preferred partner amenities layered on top of the fare, confirmed to you in writing before anything is held
THE SOLO QUESTION	Emerald prices solo travel departure by departure. Some sailings waive the single supplement outright and others do not, so it is worth asking before you settle on your dates
THE RIGHT SUITE	On a 180 guest ship the difference between a deck and a category is the difference between a window that opens and one that does not. We walk the deck plan with you before recommending one
THE WHOLE JOURNEY	Flights, the nights either side of the ship, private transfers and travel protection, arranged end to end
ONE CONTACT	Before, during and after the voyage you deal with one person who knows your booking, not a call centre

Ready when you are. Tell us roughly when you would like to sail, which part of the world appeals and whether you are travelling on your own or as a couple, and we will come back with the departures that fit and real figures for each.
