# Same Fare, More Voyage

Booking through Elevida Luxury Journeys costs the same as booking anywhere else. The difference is what comes with it.

## ELEVIDA AMENITIES

Our consortium and preferred partner amenities layered on top of the fare, confirmed to you in writing before anything is held

## THE SOLO QUESTION

Emerald prices solo travel departure by departure. Some sailings waive the single supplement outright and others do not, so it is worth asking before you settle on your dates

## THE RIGHT SUITE

On a 100 guest yacht the difference between a Balcony Suite and a Terrace Suite is a different holiday, not a different price. We walk the deck plan with you before recommending one

## THE WHOLE JOURNEY

Flights, the nights either side of the yacht, private transfers and travel protection, arranged end to end

## ONE CONTACT

Before, during and after the voyage you deal with one person who knows your booking, not a call centre

**Ready when you are.** Tell us roughly when you would like to sail, which part of the world appeals and whether you are travelling alone, as a couple or as a group, and we will come back with the departures that fit and real figures for each: no obligation and nothing to navigate on your own.
