

THE ELEVIDA COLLECTION · EUROPE'S RIVERS

Uniworld

Fourteen one-of-a-kind ships · the Danube, the Rhine, the Seine, the Rhône, the Douro and the Po

Uniworld does not build a fleet of identical ships. Each vessel is decorated as its own boutique hotel — its own palette, its own commissioned artwork and antiques, Savoir beds and Asprey in the staterooms — and carries an average of about 120 guests. The fare is genuinely all-inclusive down to the gratuities, the premium spirits and the shipwide Wi-Fi. This is the guide to the ships and to what the fare covers, with a deck plan for every one of the fourteen sailing Europe.

TINY NOTICEABLE TOUCHES™

Unparalleled luxury found in every detail

Ever since we first set out to take travelers on one-of-a-kind trips in 1976, Uniworld has been all about the guest-driven approach. We listen, we research, and we innovate—not only to discover what our guests are telling us they want and need, but to also anticipate what they are missing out on. That’s how you get to the heart of what a great vacation really is.

As the first American company to cruise the rivers of Europe, we’ve had the time to learn along the way and reinvent the format entirely. Uniworld lengthened cruise itineraries to one, two, even three week stretches, and introduced all-inclusive pricing. We handpicked destinations our guests would be looking for, then snuck in a few hidden gems we just knew they’d come to love. Perhaps most importantly, our ships offered the boutique hotel experience early river cruisers desired: designs with character, hotel-style beds, and delicious onboard dining. And by making their favorite boutique hotels float, now our guests could travel in all-inclusive luxury to multiple destinations, without having to unpack between each stop.

But we didn’t stop there. Every year, we pay close attention to the world of travel and the feedback of our guests to create better and better travel experiences. When we joined The Travel Corporation’s collection of award-winning travel brands in 2004, our mission became elevating river cruising to new heights. We launched the **Super Ship™** fleet, began cruising in more extraordinary destinations, and introduced innovative new concepts such as **Cruise & Rail** journeys, **Nights Out**, and **MAKE TRAVEL MATTER® Experiences**. Year after year, we set new standards and expectations for what luxury river cruising could be and are looking forward to continuing these pursuits for the next 50 years.

“The service was superb! All of the staff were always smiling, very courteous and made us feel very special. We actually felt like royalty in how they treated us. Thank you for making our trip so enjoyable!”

WELCOME TO LUXURY RIVER CRUISING

This is cruising at its absolute best

Sailing by river means enjoying all the conveniences of a traditional cruise, along with all the benefits of land travel. Stopping in multiple destinations on every trip, you'll visit bustling cities and hidden gem villages, unpacking only once. River cruising is the best way to cruise, and the best and most luxurious river cruises are with Uniworld.

S.S. Beatrice sailing

ONE-OF-A-KIND BOUTIQUE SHIPS

One of the highlights of your river cruise will be the ship you sail on. Each of our one-of-a-kind ships is like a Floating Boutique Hotel; designed to immerse you in the destination with luxurious amenities, beautiful public spaces, and elegant dining venues.

ALL-INCLUSIVE AMENITIES

Everything you could ever need is included with Uniworld. From your meals to premium drinks, plus your daily shore excursions. We've even included the onboard gratuities. All you have to do is sit back, relax and enjoy the Uniworld experience.

INTIMATE & RELAXING EXPERIENCE

Compared to ocean cruising, a river cruise ship is smaller and offers guests a far more intimate experience. With just an average of 120 guests onboard, you can get to know your fellow travelers and receive better access to the incredible staff onboard.

UNMATCHED CONVENIENCE

River cruising allows you to travel directly through the heart of countries, giving you access to some of the world's greatest cities right outside your window. You'll travel to multiple destinations with ease, only unpacking once.

IMMERSIVE TRAVEL EXPERIENCES

We've selected culturally immersive experiences on every journey. These range from a private after-hours visit to St. Mark's Basilica to receiving a breathtaking water blessing from a Cambodian monk.

CONNECT & STAY CONNECTED

Unencumbered by large crowds, you'll effortlessly meet people who share your passion for travel and exploration, and stay connected with loved ones back home with complimentary shipwide Wi-Fi.

ONE-OF-A-KIND SHIPS

inspired by their destinations

The ships in our fleet are passion projects, through and through. Every unique design scheme is assembled to be a masterpiece in and of itself. To step onboard a Uniworld ship is to step into a world where your destinations come to life through every carefully considered detail. We don't believe in filling the rivers with a large fleet of identical ships. We believe in quality over quantity.

OUR DESIGN ETHOS

Each ship has a distinctive theme, with its own color palette, custom-made fabrics, personally selected artwork, sumptuous furnishings and antiques. Every element, down to the smallest detail, has been thoughtfully considered and flawlessly rendered.

OUR SUPER SHIP FLEET

The vessels in our **Super Ship** fleet completely transform the standards of river cruising. These vessels add a layer of luxury through multiple dining venues, more suites, and **Tiny Noticeable Touches™** throughout.

THE FINEST AMENITIES

Our lavishly appointed staterooms feature handcrafted Savoir® Beds of England, custom cotton sateen sheets and European duvets, a menu of pillow options, and Asprey bath and body products.

THE SUITE LIFE

When you stay in one of our spacious suites, you'll enjoy outstanding butler service, large all-marble bathrooms with a double vanity, Asprey bath and body products, a fully-stocked bar, fresh cookies and fruit delivered daily, and more.

Note: Amenities vary by ship

ALL-INCLUSIVE AMENITIES

Don't settle for anything less

There's all-inclusive, and then there's the unmatched level of inclusive luxurious amenities that only we provide. To ensure truly carefree and effortless travel, we've gone ahead and included it all—so the only thing you have to do is sit back, relax, and enjoy the Uniworld difference.

THE MOST PERSONAL SERVICE

for every guest

Our outstanding crew onboard are the driving force behind our guest-centric atmosphere and the reason you leave your cruise feeling like part of the family. It's very common to find staff members who have worked solely for Uniworld for over ten years. To ensure every guest is thoroughly looked after, we offer the best staff-to-guests ratios in the industry.

NO REQUEST TOO LARGE

Our goal is to give you the unique and unforgettable experiences you seek, with the personalized, industry-leading service you deserve.

2.4 TO 1 GUEST-TO-STAFF RATIO

With an exceptional staff-to-guest ratio and the longest-tenured crew on the rivers, each guest receives our crew's full attention and unmatched attention to detail.

TINY NOTICEABLE TOUCHES

The tiniest details often draw the brightest smiles. Our staff's passion is apparent in their attention to your interests, like remembering your drink order from day one, or surprising you with chocolates from a local shop you mentioned in passing.

IN-SUITE BUTLERS

Our butlers are trained to the highest standards in the industry. Each assumes the role of butler 100% of the time, and doesn't moonlight in other roles, enabling them to focus fully on making your cruise one to never forget.

S.S. SÃO GABRIEL

The *S.S. São Gabriel* embodies the spirit of Portugal. Light, airy décor throughout the ship mimics the sun-drenched nature of this fascinating country, while pops of color emphasize its vivacity and brilliant blues and greens reflect the lush Douro River. To complete this work of art—Portugal's signature hand-made blue and white ceramic azulejos tilework can be found throughout the ship.

This chic Super Ship offers four different venues serving unlimited drinks and locally-inspired cuisine, a pool for relaxing on the sun deck while you sail past gorgeous scenery, and an entire top deck of butler-serviced suites.

Note: While the S.S. São Gabriel is the most luxurious ship on the Douro River, its amenities may differ from Uniworld company-owned ships.

Same Fare, More Voyage

Booking through Elevida Luxury Journeys costs the same as booking anywhere else. The difference is what comes with it.

ELEVIDA AMENITIES	Our consortium and preferred partner amenities layered on top of the fare, confirmed to you in writing before anything is held
THE SOLO QUESTION	Uniworld does not build dedicated single staterooms, so a solo traveller takes a double at a supplement. It is not a fixed figure and it is not the same on every ship or every departure, so it is worth asking before a date is settled rather than after
THE RIGHT STATEROOM	On these ships the butler comes with the suite, not with the fare — it is the one inclusion that is grade-dependent. Since no two Uniworld ships share a layout, the categories do not map across the fleet either. We walk the deck plan of the actual ship with you before recommending one
THE WHOLE JOURNEY	Flights, the nights either side of the ship, private transfers and travel protection, arranged end to end
ONE CONTACT	Before, during and after the voyage you deal with one person who knows your booking, not a call centre

Ready when you are. Tell us roughly when you would like to sail, which part of the world appeals and whether you are travelling on your own or as a couple, and we will come back with the departures that fit and real figures for each.
