

THE ELEVIDA COLLECTION · EUROPE'S RIVERS

Viking River

The Viking Longships · 190 guests · the Rhine, the Danube, the Seine, the Douro and the Elbe

A fleet of identical Swiss-registered Longships, 443 feet and 190 guests, built around an asymmetric corridor that buys the space for true two-room suites and an all-outside stateroom count no competitor of that size carries. This is the guide to the ship rather than to any one sailing: what the fare already covers, what Viking deliberately refuses to do, every stateroom and suite category with its floor plan and square footage, and the full deck plan.

A VIKING OCEAN SHIP, VIKING EXPEDITION SHIP & VIKING LONGSHIP®

SHIPS DESIGNED FOR EXPLORATION

River, Ocean and Expedition vessels that bring you closer to your destination

At Viking, we build innovative ships that are the right size for the experience—with a signature Scandinavian design that never upstages the destination.

INTIMATE RIVER VESSELS with all the amenities of an elegant boutique hotel, including an unparalleled choice of all-outside staterooms, expansive views from floor-to-ceiling windows and al fresco dining. From the space-saving square bow to the patented asymmetrical corridor design, our revolutionary and award-winning Viking Longships have been designed to enhance your journey.

ALL-VERANDA OCEAN SHIPS that host fewer than 1,000 guests, with the ability to dock in the world's greatest cities, as well as seldom visited small ports that are out of reach for mega-liners. And with a private veranda in every stateroom, an Infinity Pool at the stern and abundant options for al fresco dining, each day brings new opportunities for stunning views of your destination.

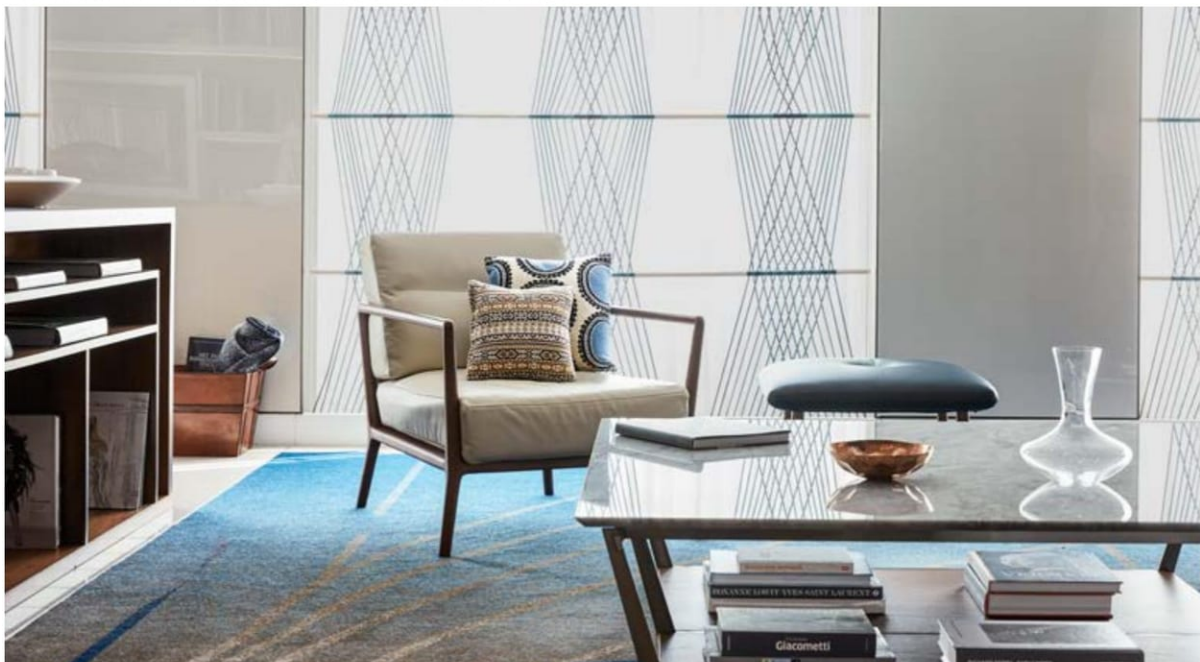

OUR EXPEDITION SHIPS are customized to navigate the planet's most remote environments but offer the same comfort as our ocean and river ships. Open and serene Scandinavian spaces greet you throughout. Settle into the Aquavit Bar for an afternoon Irish coffee or stop by The Living Room to listen to a classical trio. Relax in The Spa, lounge by the outdoor lava rock "firepit" or curl up in the comfort of your own stateroom, all with breathtaking vistas.

UNDERSTATED ELEGANCE

Modern ships designed for comfort and discovery

Created by interior architects who have designed some of the world's finest hotels, the signature Scandinavian design of our ships celebrates our Nordic heritage: clean lines, colorful woven textiles and light woods that evoke the original Viking explorers' connection to the natural world. Public spaces are light-filled, airy and quiet; staterooms feature thoughtful amenities, including heated bathroom floors, anti-fog mirrors and luxury bed linens; and throughout each ship you will find great attention to detail in leather handrails, original Nordic artwork and libraries stocked with books curated by London bookshop Heywood Hill.

THE FLAVORS OF YOUR DESTINATION

Experiencing a culture through its food and wine

A GREAT JOY OF TRAVEL lies in sampling the fresh fare and culinary traditions for which a place is known. Locally sourced ingredients—such as Norwegian salmon, Dutch gouda, Hungarian paprika and Spanish *jamón* inspire our highly trained chefs to create authentic regional dishes on every itinerary. Across our fleet, we offer the most al fresco dining on any waterway, so you always have the option to enjoy a meal or a glass of wine while completely surrounded by the scenery.

DINING ON A VIKING RIVER SHIP, you will find the ideal setting for impeccable service and casual elegance. On our European river vessels, choose between our main dining room, The Restaurant, and the indoor/outdoor Aquavit Terrace.

DINING ON A VIKING OCEAN OR EXPEDITION SHIP, you can experience multiple dining options, from Mamsen's Norwegian Deli and the open kitchens of the World Cafe—to Manfredi's Italian trattoria and 24-hour room service.

A PERFECT PAIRING. While we always offer complimentary beer and wine at lunch and dinner, our Silver Spirits Beverage Package provides unlimited beverages at all onboard venues anytime throughout the duration of your voyage. For only \$27 per day, the package includes our house champagne, wine and beer, plus select premium wine, cocktails, aperitifs, a selection of upgraded whiskeys and more.

ATTENTION TO DETAIL

Elegant design that is simple and functional

Our aim has always been to create a comfortable environment on board our ships, so we have focused on making things as straightforward and as easy to operate as possible. Our TV remote controls have just a few, intuitive buttons. Our bathrooms have spacious showers, with simple-to-use controls. They also feature anti-fog mirrors and heated floors, and our toiletries are clearly labeled and feature flip-top caps. US power outlets and USB ports in staterooms are plentiful and conveniently located, offering a variety of choices to charge devices within reach. In public spaces, you will find square-backed chairs that are easier for hanging jackets and purses. Even our waste baskets are square, to better catch a tossed piece of paper. At Viking, we think of every detail, so you can focus on exploring and learning about the destination.

WHY VIKING IS A BETTER VALUE

How do we do it?

- With a 100% small ship fleet, Viking is the largest luxury cruise line*. This means we have considerable economies of scale in the building of vessels and the purchasing of goods and services for ongoing operations. Therefore, we can accommodate more guests with the same operating costs and pass that benefit on to our guests, in the form of lower prices.
- Our award-winning fleet is the largest in the river cruise industry, by far. We also own and operate our ships and the best docking locations on the rivers of Europe. Our fleet of Viking Longships has a patented design which features three full decks—maximizing space on board that otherwise goes unused on many competitor ships. Viking Longships also feature asymmetric corridors, which has allowed us to create true two-room suites.
- Our award-winning fleet of both ocean and expedition ships is designed to be space- and energy-efficient, without onboard features like casinos and children's areas. This creative design maximizes space for guest rooms and reduces overall fuel costs.

VIKING LONGSHIPS

Viking Longships are the most award-winning class of river ships, having been recognized by *Condé Nast Traveler*, *Travel + Leisure*, *Cruise Critic* and more.

VIKING LONGSHIPS: BEST NEW RIVER SHIP, "Viking's modern Longships offer an airy ambiance with plenty of big-ship amenities. Verandas are full-sized. Suites, mirroring hotel accommodations, each offer two rooms. The Aquavit Terrace, an indoor-outdoor casual eatery, is a dedicated alternative restaurant. And the ships are state-of-the-art when it comes to engineering, with hybrid engines, solar panels and even an organic herb garden." – *Cruise Critic* Editors

BOASTING THE SAME POPULAR DESIGN ELEMENTS as our Viking Longships, the Seine, Douro and Elbe ships feature state-of-the-art engineering, deluxe accommodations and streamlined Scandinavian interiors. Like our Viking Longships, you can choose from a variety of stateroom classes, all with river views. Slightly smaller in size and with customized hulls and engines, these intimate ships were built specifically to navigate their respective rivers and dock in the heart of town. And in Paris, the Seine ships dock just steps from the Eiffel Tower.

Same Fare, More Voyage

Booking through Elevida Luxury Journeys costs the same as booking anywhere else. The difference is what comes with it.

ELEVIDA AMENITIES

Our consortium and preferred partner amenities layered on top of the fare, confirmed to you in writing before anything is held

THE SOLO QUESTION

Viking does not build dedicated single staterooms into the Longships, so a solo traveller takes a double. What that costs is not one fixed uplift — it moves by ship, season and departure — so it is worth asking before the date is settled rather than after

THE RIGHT STATEROOM

Only two categories on a Longship are true two-room suites, and the Standard staterooms sit at water level behind a half-height window. That is the widest gap between grades on any river ship we sell, and it is not obvious from a category name. We walk the deck plan with you before recommending one

THE WHOLE JOURNEY

Flights, the nights either side of the ship, private transfers and travel protection, arranged end to end

ONE CONTACT

Before, during and after the voyage you deal with one person who knows your booking, not a call centre

Ready when you are. Tell us roughly when you would like to sail, which part of the world appeals and whether you are travelling on your own or as a couple, and we will come back with the departures that fit and real figures for each.
